

Kelley Orchards Fruit CSA

10-week subscription July 12 – Sept. 27

Kelley Orchards is located in the Snake River Canyon in Twin Falls County, Idaho. Homesteaded in 1908 by John Gourley, it continues to be operated by grandson Richard Kelley. Richard's daughter, Gretchen Kelley Bietz, has been in Reno since 1995. Realizing northern Nevada didn't have any local stone fruit producers, Gretchen was excited to provide her dad's fruit to locals through the Farmer's Markets and out of her family's garage starting in 2004. She is excited to expand her ability to share her family's fruit through the CSA program. The quality is excellent!
